

Product Data Sheet Fiber Optic 1U Compact Rack Mount 3 LGX

Description	Wirewerks [™] fiber optic 1U compact rack mount panel with 3 LGX is designed for space saving and high-density applications. The patch panel is made of 16 gauge cold rolled steel (CRS) with a black gloss finish. Equipped with a sliding drawer that maximizes the front access, inside-panel manipulation and splices are easier to perform. Adapter strips up to 72 fibers, or cassettes can be installed into the 3 LGX cut-outs using their push pin mechanism.
